

# IMPORTANT CHANGES COMING TO MISSISSIPPI MEDICAID & CHIP PROGRAM ELIGIBILITY

Do you or a family member currently have health coverage through Medicaid or the Children's Health Insurance Program (CHIP)? If so, you may soon need to take steps to find out if you can continue your coverage. Soon, Mississippi will resume Medicaid and CHIP eligibility reviews. This means some people with Medicaid or CHIP could be disenrolled from those programs.

**Here are some things you can do to prepare:**

**1. Make sure your address is up to date** – Make sure that the Mississippi Division of Medicaid has your current mailing address, phone number, email, or other contact information. This way, they'll be able to contact you about your Medicaid or CHIP coverage.

**2. Check your mail** - The Mississippi Division of Medicaid will mail you a letter about your Medicaid or CHIP coverage. This letter will also let you know if you need to complete a renewal form to see if you still qualify for Medicaid or CHIP.

**3. Complete your renewal form (if you get one)** – Fill out the form and return it to the Mississippi Division of Medicaid right away to help avoid a gap in your Medicaid or CHIP coverage.

For more information about Medicaid renewal or CHIP coverage, **contact Health Help Mississippi at 1-877-314-3843.**
