B.3. Progress Report

A. Increase the availability of affordable housing

The Housing Authority of the City of Biloxi’s mission is to educate, support and develop quality housing communities and encourage self-sufficiency. It is the agency’s vision to empower and enrich families by creating strong relationships and communities.

In an effort to meet the needs of low-income/extremely low-income families in the PHA’s jurisdiction and ensure equal opportunity in housing, the Housing Authority of the City of Biloxi manages 1,748 units across its portfolio, including eleven (11) affordable housing complexes in Biloxi, Mississippi which consists of Bayview Oaks (20 units), Bayview Place (146 units), Bayview Place Market (50 units), Beauvoir Pass (75 units), Cadet Point Senior Village (76 units), Covenant Square (40 units), Fernwood Place (58 units), Gulfshore Villas (100 units), McDonnell Avenue Apartments (162 units), Oakwood Village (80 units), Suncoast Villa (106 units), Seashore Oaks (120 units), Seashore Oaks Market (65 units) and Seashore Oaks Assisted Living (42 units).

The Housing Authority of the City of Biloxi is a Housing Choice Voucher (HCV) Program-only agency, and administers Tenant Based Vouchers (449), Veterans Affairs Supportive Housing (VASH) Vouchers (158), Rental Assistance Demonstration Project Based Vouchers (RAD PBV) (908) and Project Based Vouchers (PBV) (117), for a total of 1,632 vouchers. The agency will continue to apply for additional housing choice voucher opportunities if available and will continue to search for additional affordable housing units for future expansion.

To maintain and improve the quality of existing housing, The Housing Authority of the City of Biloxi will procure contractors to perform repairs and renovations to properties owned and managed by the agency. This ensures the maintenance of its housing inventory. The agency maximizes the number of affordable housing units it has available by executing effective maintenance and management policies to minimize the number of units off-line. Additionally, the Housing Authority of the City of Biloxi will continue to seek redevelopment and repositioning opportunities to create more affordable housing units and replace four units demolished with HUD approval located at Suncoast Villa. The approval was granted under the condition that the agency submits proposed plans for redevelopment or post-closing RAD transfer of assistance. The Housing Authority of the City of Biloxi continues to request an extension due to barriers in identifying a post-closing RAD transfer of assistance property. There remains a lack of available housing stock and redevelopment opportunities in our area of jurisdiction as a result of flood zone restrictions and the increase in the cost of property insurance. However, the agency is committed to exploring all redevelopment opportunities to mitigate the growing need for affordable housing stock.

The Housing Authority of the City of Biloxi participates in the development of the Consolidated Plan for the City of Biloxi to ensure coordination with broader community strategies. The Housing Authority will continue to strengthen its partnership with the Veterans Affairs in the administration of the VASH program and other community partners with the mission of seeking development opportunities to increase the number of assisted housing units available to the residents of Biloxi, MS.

B. Promote self-sufficiency and asset development of families and individuals

The Family Self-Sufficiency Program is a HUD program that encourages communities to develop local strategies to help assisted families obtain employment that will lead to economic and self-sufficiency. Since 1995, the FSS Program offered by our agency has been instrumental in empowering residents to become more independent through counseling in areas of education and employment.

Through our partners in the community, residents may attend job fairs and other events that promote and assist them in obtaining gainful employment. The Housing Authority of the City of Biloxi partners with local businesses, schools and welfare agencies. Participating families can complete a comprehensive program that develops life-skills and provides better opportunities for higher paying jobs and employment. Some of our partners that provide these services are; Bethel Free Clinic; Coastal Family Health Center; Gulf Coast Community Action Agency; Suncoast Villas Computer Lab; Mississippi Gulf Coast Community College-Jeff Davis Campus; St. Paul United Methodist Church; The Salvation Army; American Red Cross; South Mississippi Planning and Development District; Huntingdon Bank, East Biloxi Community Collaborative and United Way of South Mississippi.

The FSS Program holds regular workshops and events to attract new participants and expand the self-sufficiency program. HCV participants are notified of FSS program availability through various media messaging, HCV briefings and outreach events. Through the FSS Program, The Housing Authority of the City of Biloxi hosts the FSS Employment Readiness Program which is designed to prepare FSS participants for the job market and assist in finding employment. FSS Employment Readiness classes are held once a week and are conducted by certified instructors for each week's curriculum, including Microsoft Office applications, resume development, enhanced interpersonal skills, as well as interviewing and job search.

The Housing Authority of the City of Biloxi continues to seek new community partners to provide services to senior properties to better equip families to age in place and family properties to strengthen educational and recreational opportunities. Additionally, the relocation of the administrative office in 2026 will result in opportunity to collaborate with mission-aligned partners to bring additional services to Oakwood Village. Oakwood is a property that has families up to five bedrooms. The Housing Authority of the City of Biloxi plans to leverage partnerships for this site that will cultivate and promote self-sufficiency and opportunities for children and young adults.

C. Ensure equal opportunity in housing for all Americans

The Housing Authority of the City of Biloxi has implemented new housing software that allows for easy access and online support for participants, applicants and landlords to housing programs. Applications are available through the agency's website, www.biloxihousing.org, and translatable to many languages. Additionally, the Housing Authority utilizes a nationally recognized interpretation service to eliminate language barriers when communicating in person or via telephone.

The agency maintains separate waiting lists for its properties, including those designated Elderly and Near Elderly. The Housing Choice Voucher Administrative Plan addresses the process of applying for assisted housing and includes information on selection from each list based on local preferences for the Elderly, age 62 or older, and domestic violence victims, then date/time of application.

The Housing Authority of the City of Biloxi maintains its position in protecting the rights of domestic violence victims and intends to comply with all federal regulations and its published Emergency Transfer Plan. The agency has also partnered with Gulf Coast Center for Nonviolence to offer a domestic violence preference in the Tenant Based Voucher program. This partnership is the result of a HUD-approved rapid rehousing program designed to assist displaced victims with a safe place to live.

The Housing Authority of the City of Biloxi continues to work with the City of Biloxi, Open Doors Homeless Coalition Continuum of Care and other agencies providing input for the Consolidated Plan and to identify potential funding sources and solutions to address homelessness in the community.

The Housing Authority of the City of Biloxi will maintain its housing developments for rental assistance and encourage resident participation in homeownership programs. The agency will continue to support the Family Self-Sufficiency (FSS) Program, develop a Housing Choice Voucher Homeownership Program, and create additional partnerships to support homeownership opportunities.

D. Increase customer satisfaction

The Housing Authority of the City of Biloxi purchased a new office building, located at 2130 Pass Road, Biloxi, MS, that will serve as the main administrative office. The relocation of the Administrative Office will allow for operations to be housed in a single building outside of a flood zone, which is critical for continued operations. The Housing Authority of the City of Biloxi procured Dale Partners Architect to manage the office renovations. Orocon Construction has been selected to complete renovations at 2130 Pass Road, Biloxi, MS 39531, with an estimated completion date in 2026. The agency has also changed its business hours to remain open for assistance through lunchtime at our Administrative Office. This will allow working families more access to the building and services.

The Housing Authority of the City of Biloxi received a grant through Mississippi Development Authority (MDA) Hurricane Zeta Recovery Community Development Block Grant – Disaster Recovery. This funding will be used for window replacement projects at Seashore Oaks and Cadet Point, the replacement of the HVAC systems at Seashore Oaks and the renovation of the new administrative office building.

The agency continues to utilize communication programs which allow us to send notices to our residents. The service allows delivery of vital information to an individual, a building, a property or in mass, using text, email and voice messaging. It is a very useful tool during emergency situations, such as weather-related events, and routine, general notices. It has reduced costs and time spent on the preparation and delivery of information. Additionally, the Housing Authority website is used to communicate with our customers, providing them with up-to-date information related to programs and community events. The Housing Authority also utilizes an online tool that connects our residents with available housing opportunities in the jurisdiction. The website provides landlords the ability to list their available units online for voucher holders who are actively searching for available rental units.

E. Increase assisted housing choices

In order to increase the availability of affordable housing, the agency has extended its administration of the Housing Choice Voucher Program to include the five-mile radius of Biloxi city limits. Historically, participants had been limited to search for available units within the city limits of Biloxi.

Now, administration of the program has expanded geographically to cover the area allowed by legislation. This expansion creates additional housing opportunities for program participants.

In the future, the agency may sell, with HUD approval, vacant properties and buildings currently remaining under Declaration of Trust, including Back Bay Place and the Bayview Triangle Parcel. The agency has sold vacant lots and owns additional vacant properties it intends to sell that are not under Declaration of Trust. These are scattered sites within the city limits of Biloxi, MS. The proceeds from the sale of any property will be used for housing programs and/or to increase the availability of affordable housing within our jurisdiction.

F. Improve community quality of life and economic viability

Our housing management staff will market the Housing Choice Voucher Program to owners outside of areas of poverty and minority concentrations. Through our self-sufficiency program and partners in the community, we will continue to counsel residents in areas of education and employment to increase opportunities for participants to earn higher than the poverty level within the jurisdiction.

In an effort to maintain opportunities for seniors to age in place, the Housing Authority of the City of Biloxi maintains its Elderly and Near Elderly family properties and has one property that offers Assisted Living services. Site-based waiting lists reduce the application processing time for families and encourage independent living for as long as possible.

The Housing Authority of the City of Biloxi continues its partnership with the Biloxi Police Department (BPD) to monitor security cameras throughout its portfolio. The Housing Authority will continue its efforts to install additional security cameras to assist agency staff and local law enforcement in maintaining a safe and secure environment for our residents and the community at large.

The Housing Authority of the City of Biloxi will continue to develop partnerships with local agencies to provide supportive services to our residents in order to help them become more self-sufficient.

Acting on behalf of the Board of Commissioners of the Public Housing Agency (PHA) listed below, as its Chairperson or other authorized PHA official if there is no Board of Commissioners, I approve the submission of the 5-Year and/or X Annual PHA Plan, hereinafter referred to as "the Plan," of which this document is a part, and make the following certification and agreements with the Department of Housing and Urban Development (HUD) for the PHA fiscal year beginning 01/2027, in which the PHA receives assistance under 42 U.S.C. 1437f and/or 1437g in connection with the submission of the Plan and implementation thereof:

1. The Plan is consistent with the applicable comprehensive housing affordability strategy (or any plan incorporating such strategy) for the jurisdiction in which the PHA is located (24 CFR § 91.2).
2. The Plan contains a signed certification by the appropriate State or local official (form HUD-50077-SL) that the Plan is consistent with the applicable Consolidated Plan, which includes any applicable fair housing goals or strategies, for the PHA's jurisdiction and a description of the way the PHA Plan is consistent with the applicable Consolidated Plan (24 CFR §§ 91.2, 91.225, 91.325, and 91.425).
3. The PHA has established a Resident Advisory Board or Boards, the membership of which represents the residents assisted by the PHA, consulted with this Resident Advisory Board or Boards in developing the Plan, including any changes or revisions to the policies and programs identified in the Plan before they were implemented, and considered the recommendations of the Resident Advisory Board (24 CFR 903.13). The PHA has included in the Plan submission a copy of the recommendations made by the Resident Advisory Board or Boards and a description of the way the Plan addresses these recommendations.
4. The PHA provides assurance as part of this certification that:
 - i. The Resident Advisory Board had an opportunity to review and comment on the changes to the policies and programs before implementation by the PHA;
 - ii. The changes were duly approved by the PHA Board of Directors (or similar governing body); and
 - iii. The revised policies and programs are available for review and inspection, at the principal office of the PHA during normal business hours. Where possible, PHAs should make documents available electronically, for public inspection upon request.
5. The PHA made the proposed Plan and all information relevant to the public hearing available for public inspection at least 45 days before the hearing, published a notice that a hearing would be held and conducted a hearing to discuss the Plan and invited public comment. The PHA ensured all notices and meetings provided effective communication with persons with disabilities and further provided meaningful language access for persons with Limited English Proficiency (LEP).
6. The PHA certifies that it will carry out the public housing program of the agency in conformity with Title VI of the Civil Rights Act of 1964 (42 U.S.C. 2000d-2000d-4), the Fair Housing Act (42 U.S.C. 3601-19), Section 504 of the Rehabilitation Act of 1973 (29 U.S.C. 794), Title II of the Americans with Disabilities Act (42 U.S.C. 12101 et seq.), the Violence Against Women Act (34 U.S.C. § 12291 et seq.), and other applicable civil rights requirements, and that it will affirmatively further fair housing in the administration of all HUD programs. In addition, if it administers a Housing Choice Voucher Program, the PHA certifies that it will administer the program in conformity with Title VI of the Civil Rights Act of 1964, the Fair Housing Act, Section 504 of the Rehabilitation Act of 1973, Title II of the Americans with Disabilities Act, the Violence Against Women Act, and other applicable civil rights requirements, and that it will affirmatively further fair housing in the administration of all HUD programs.
7. The PHA will affirmatively further fair housing, in compliance with the Fair Housing Act, 24 CFR § 5.150 et seq., 24 CFR § 903.7(o), and 24 CFR § 903.15, which means that it will take meaningful actions, in addition to combating discrimination, that overcome patterns of segregation and foster inclusive communities free from barriers that restrict access to opportunity based on protected characteristics. Specifically, affirmatively furthering fair housing means taking meaningful actions that, taken together, address significant disparities in housing needs and in access to opportunity, replacing segregated living patterns with truly integrated and balanced living

patterns, transforming racially or ethnically concentrated areas of poverty into areas of opportunity, and fostering and maintaining compliance with civil rights and fair housing laws (24 CFR § 5.151). Pursuant to 24 CFR § 903.15(c)(2), a PHA's policies should be designed to reduce the concentration of tenants and other assisted persons by race, national origin, and disability. PHA policies should include affirmative steps stated in 24 CFR § 903.15(c)(2)(i) and 24 CFR § 903.15(c)(2)(ii). Furthermore, under 24 CFR § 903.7(o), a PHA must submit a civil rights certification with its Annual and 5-year PHA Plans, except for qualified PHAs who submit the Form HUD-50077-CR as a standalone document. The PHA certifies that it will take no action that is materially inconsistent with its obligation to affirmatively further fair housing.

8. For PHA Plans that include a policy for site-based waiting lists:
 - The PHA regularly submits required data to HUD's 50058 PIC/IMS Module and/or its successor system: the Housing Information Portal (HIP) in an accurate, complete and timely manner (as specified in PIH Notice 2011-65);
 - The system of site-based waiting lists provides for full disclosure to each applicant in the selection of the development in which to reside, including basic information about available sites; and an estimate of the period of time the applicant would likely have to wait to be admitted to units of different sizes and types at each site;
 - Adoption of a site-based waiting list would not violate any court order or settlement agreement or be inconsistent with a pending complaint brought by HUD;
 - The PHA shall take reasonable measures to assure that such a waiting list is consistent with affirmatively furthering fair housing; and
 - The PHA provides for review of its site-based waiting list policy to determine if it is consistent with civil rights laws and certifications, as specified in 24 CFR 903.7(o)(1).
9. The PHA will comply with the prohibitions against discrimination based on age pursuant to the Age Discrimination Act of 1975.
